STAT

Mr. H. Rowan Gaither
President of the Board
Ford Foundation
477 Madison Avenue
New York 22, New York

Dear Rowan:

*EP full. vbm
1/27*

I had hoped perhaps to see you on your planned visit to Washington early in January in order to follow up on your proposal for possible support to educational programs in the intelligence field. Unfortunately, I gather that events forced you to cancel that meeting.

Since you called, I have discussed the subject with Mr. Dulles, Mr. Baird, and [redacted] who are in charge of our Office of Training, and with Bob Amory. They are all very much interested in the subject and would like to discuss ideas with you further. Mr. Dulles suggested that you might be willing to come to Washington and have luncheon with him in the near future. Such a visit would also permit you to become familiar with our present training programs which we have been able to carry out using internal government mechanisms.

STAT

It has been suggested that January 27 might be a possible date, but if this is inconvenient for you we can select another. If it is impracticable for you to come to Washington at this time, then perhaps one or two of the people who are most familiar with our interests in this field might be able to pay you a visit in New York.

Hope you had a nice holiday season and are feeling better. In your multitudinous press photographs you appeared to be in fine condition.

Sincerely,

STAT

[redacted]
Herbert Scoville, Jr.
Assistant Director

MEMORANDUM FOR: Director of Central Intelligence

THROUGH: Director of Training

THROUGH: Deputy Director/Intelligence

SUBJECT: Possible Support to Educational Programs in the Intelligence Field

In accordance with our conversations, enclosed is an invitation to have Mr. Gaither come to Washington for luncheon and discussions relative to educational programs in intelligence. [REDACTED] has indicated that luncheon for the twenty-seventh of January is presently free on your schedule. [REDACTED] in Training, is getting together various Agency ideas of programs in which the Ford Foundation might assist. These can be discussed with you prior to the luncheon meeting.

[REDACTED]

HERBERT SCOVILLE, JR.
Assistant Director
Scientific Intelligence
